Subject: DN 2009-382-WS -- Nature's Development Incorporated -- 4/21 hearing postponed

FYI: The Nature's Development matter may be resolved shortly. The parties have requested that the hearing be postponed and that a prehearing conference with Commission counsel be convened instead on Wednesday afternoon. In light of the fact that the company has taken concrete steps to transfer the system to a homeowner's association which would be outside of Commission jurisdiction, I agreed to the continuance and I will be meeting with counsel to go over what needs to be done for final resolution of the matter. Therefore, no hearing on Wednesday after the Commission meeting.
